MEMORANDUM FOR: Director, Office of East Asian Analysis

FROM:

Director of Training and Education

SUBJECT: Appreciation for Speakers from the
Office of East Asian Analysis

1. On behalf of our Intelligence Training Division, I want to thank you for providing outstanding substantive support to our Regional and Societal Training Program over the past year. Given the high level of interest in such topics as the Chinese economic reforms and developments in the ASEAN nations, we particularly appreciated good presentations by OEA analysts, many of whom had recently visited these areas and could give us first-hand accounts.

2. Despite their heavy workloads, the following OEA analysts and managers gave presentations for several of our courses:

3. We are also currently in the process of consulting with the Intelligence Directorate to learn what kind of training on regional and societal issues is most needed. Several of your senior analysts and managers have made valuable suggestions in this context, and we will be checking with OEA further as the process continues.

4. Our Regional and Societal Training Program depends on support by the Intelligence Directorate, and we hope we can count on continued participation by the Office of East Asian Analysis in the coming year.
